

Cortes y Secciones – Nivel Intermedio

Interprete el juego de vistas en tercer cuadrante proporcionado y dibuje el isométrico seccionado y la vista frontal seccionada, teniendo en cuenta la línea de plano de corte A-A.

The image displays six sets of orthographic views, labeled 1 through 6, arranged in a 3x2 grid. Each set consists of three views: a front view, a top view, and a sectioned view. The cutting plane A-A is indicated in each front view.

- Set 1:** Front view shows a rectangular block with a circular hole and a semi-circular cutout on the left side. The top view shows a rectangular shape with a semi-circular cutout on the left. The sectioned view shows a semi-circular hole.
- Set 2:** Front view shows a rectangular block with a semi-circular cutout on the right side. The top view shows a rectangular shape with a semi-circular cutout on the right. The sectioned view shows a semi-circular hole.
- Set 3:** Front view shows a rectangular block with a rectangular cutout in the center. The top view shows a rectangular shape with a rectangular cutout in the center. The sectioned view shows a circular hole.
- Set 4:** Front view shows a rectangular block with a complex cutout on the right side. The top view shows a rectangular shape with a complex cutout on the right. The sectioned view shows a rectangular hole.
- Set 5:** Front view shows a rectangular block with a complex cutout on the right side. The top view shows a rectangular shape with a complex cutout on the right. The sectioned view shows a rectangular hole.
- Set 6:** Front view shows a rectangular block with a rectangular cutout in the center. The top view shows a rectangular shape with a rectangular cutout in the center. The sectioned view shows a rectangular hole.
